Cross Insurance Arena | Portland, Maine

ABOUT THE UNIVERSITY OF NEW ENGLAND

The University of New England is Maine's largest private university, with two beautiful coastal campuses in Maine, a one-of-a-kind study-abroad campus in Tangier, Morocco, and an array of flexible online offerings. In an uncommonly welcoming and supportive community, we offer hands-on learning, empowering students to make a positive impact in a world full of challenges. We are the state's top provider of health professionals and home to Maine's only medical and dental colleges, a variety of other interprofessionally aligned health care programs, and nationally recognized programs in the marine sciences, the natural and social sciences, business, the humanities, and the arts. Visit www.une.edu.

“AMERICA THE BEAUTIFUL”

Lyrics by Katharine Lee Bates

Music by Samuel A. Ward

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed His grace on thee
And crown thy good with brotherhood
From sea to shining sea!

O beautiful for pilgrim feet
Whose stern impassioned stress
A thoroughfare of freedom beat
Across the wilderness!
America! America!
God mend thine every flaw,
Confirm thy soul in self-control,
Thy liberty in law!

THE POMP BEHIND THE CIRCUMSTANCE

Ceremonial Symbols

GONFALONS

A gonfalon is a banner suspended from a crossbar that bears a school's name and university seal. The name dates back to medieval times in Florence, Italy, where each neighborhood was represented at a town meeting, known as a “confalone,” by its own flag, which displayed a unique coat of arms. Eventually, the word “confalone” became associated with the flag itself. Gonfalons were later used to identify households, fighting units, or offices. Religious communities used them to represent holy symbols during processions. During the Renaissance and Enlightenment periods, gonfalons gained popularity at educational institutions to symbolize different schools and disciplines within an institution. Each college within the University of New England is represented today by its own gonfalon, carried by a student, known as a “gonfalonier,” who leads their college in the processional.

THE GOWN

The history of the academic gown goes back to the 12th century. During this period, everyone — both men and women, royalty, lay folk, clerics, tradesmen, students — wore long flowing robes. The apparel varied in elegance according to the rank and wealth of the owner, from simple rough worsteds to rich gold brocades wrought with tassels and trimmed with colorful velvet and rich furs. It was in this period that the first organized bodies of learning were formed. From the gowns worn in the “universities” of the period have evolved the academic costumes of today.

The bachelor's gown is of simple design falling straight from a rather elaborate yoke with long pointed sleeves. The gown worn by a master has long, closed, somewhat fuller sleeves, which reach nearly to the wearer's knees. The arms go through slits at the elbow, giving the appearance of short sleeves. The doctoral gown is cut much fuller and has large bell-shaped sleeves. The gowns are usually, but not always, black, and those of bachelors and masters are generally devoid of ornamentation. The doctoral gowns are distinguished by the five-inch velvet panel around the neck and down both sides of the front, as well as three-inch velvet bars sewn on each sleeve.

The color of the velvet trim may be black or may indicate the nature of the degree of the wearer. For example, the color designating a Doctor of Philosophy is dark blue; a Doctor of Medicine, green; a Doctor of Education, light blue; a Doctor of Science, golden yellow; a Doctor of Humanities, white; a Doctor of Law, purple.

THE HOOD

The hood seems to have had a somewhat practical origin. Medieval monks used their hood for two purposes: to protect their shaved heads in the winter and as containers in which to collect alms.

Today, the hood serves as the most symbolic part of the academic regalia by which the observer can ascertain the level and kind of degree. At three feet long, the bachelor's hood is the smallest. The velvet trim along the edges, indicating the nature of the degree, is two inches wide. The master's hood is three feet, six inches long and has a three-inch velvet trim. The doctor's hood is four feet long, has a five-inch wide trim, and is further distinguished by panels at the sides. The colorful interior of the hoods, visible from behind, indicates by hue the degree-granting institution.

Look for the following hoods today: Master of Public Health (salmon), Master of Science in Applied Nutrition (gold), Master of Science in Athletic Training (sage), Master of Science in Education (light blue), Master of Science in Health Informatics (gold), Master of Science in Nurse Anesthesia (navy blue), Master of Health Care Administration (drab), Master of Occupational Therapy (slate blue), Master of Science in Biological Sciences (goldenrod), Master of Science in Marine Sciences (goldenrod), Master of Science in Physician Assistant (gold), Master of Social Work (citron), Doctor of Dental Medicine (lilac), Doctor of Education (light blue), Doctor of Osteopathic Medicine (green), Doctor of Pharmacy (olive), and Doctor of Physical Therapy (teal).

* Certificate of Advanced Graduate Study (post-Master's) in Education signified by a single blue cord.

THE MACE

The University Mace serves as a symbol of authority, just as it did in the Middle Ages when a mace bearer accompanied an official taking office or opening court. From the 16th century in England and since colonial days in America, it has become a symbol of office used in ceremonies and is carried by the procession leader or mace bearer.

ACADEMIC HONORS

Undergraduate students graduating with academic honors will be recognized for their academic excellence by cords of different colors draped around their necks. *Summa cum laude* (gold), *magna cum laude* (blue), *cum laude* (silver).

COLLEGE OF ARTS AND SCIENCES UNDERGRADUATE HONORS PROGRAM

The CAS Honors Program provides high-performing students with first-hand exposure to scholarship and research. Students apply to the program and then complete and publicly defend a research-based honors thesis. They will be recognized by a solid red cord.

ACADEMIC HONOR SOCIETIES

Alpha Chi (National Honor Society) White stole with blue and green Greek letters

Chi Alpha Sigma (National College Athlete Honor Society) Black/gold medallion

Delta Omega (Public Health) Peach and black stole with Greek letters

Delta Phi Tau (Physical Therapy) Teal/gold cord with knot and tassels

Omicron Kappa Upsilon (Dental Medicine) Blue/gold cord with tassels

Phi Alpha (Social Work) Blue/gold cord with double knot

Phi Alpha Theta (History) Red/blue cord with mixed tassels

Pi Alpha (Physician Assistant) Blue/green cord with tassels

Pi Theta Epsilon (Occupational Therapy) Gold/blue cords

Psi Chi (Psychology) Insignia pin, platinum/dark blue cord with mixed tassels

Rho Chi (Pharmacy) Purple/white cord with tassels

Sigma Phi Alpha (Dental Hygiene) White stole with purple braid edging and gold insignia

Sigma Theta Tau (Nursing) Purple cord with tassels

ENGAGEMENT AND LEADERSHIP RECOGNITION

Beyond academic honors, many students will don other symbols of their participation and leadership in various professional organizations, societies, and student groups. Look for the many solid and multicolored braided cords, medallions, stoles, and pins. All are worn to recognize the outstanding achievements, contributions, and involvement of our graduates.

OUTSTANDING UNDERGRADUATE LEADERSHIP RECOGNITION

Students who have demonstrated continuous excellence in leadership as an undergraduate have been recognized by a solid red (signifying leadership) and braided navy and white (signifying university colors) knotted cord.

MILITARY SERVICE HONORS

The University is proud to recognize students serving or who have served in the various military branches of the United States of America. Graduating students currently serving in the U.S. military and veterans will be recognized by red, white, and blue cords.

DEBORAH MORTON SOCIETY 2024

Named after long-time Westbrook Seminary/Westbrook Junior College educator Deborah Nichols Morton, the Deborah Morton Society Award honors and recognizes outstanding women with strong ties to Maine who have combined high distinction in their careers with a record of public service or whose volunteer leadership in civic, cultural, or social causes has been exceptional. These awards will be presented at the annual Deborah Morton Society Convocation on June 14, 2024, on the Portland Campus.

2023 AWARD RECIPIENTS

Kathie Leonard, President and CEO, Auburn Manufacturing

Melissa Smith, Chair and CEO, WEX

Cynthia Taylor, President, Maine Housing Authority

2024 AWARD RECIPIENTS

Andrea Cianchette Maker, President, Focus Maine

Patricia 'Trish' Riley, Chair, University of Maine System Board of Trustees

STUDENT AWARDS 2024

MAROON AWARD

Outstanding Graduating Seniors, Westbrook College of Health Professions

The Maroon Award is presented each year to two undergraduate students in the Westbrook College of Health Professions — one on the Biddeford Campus and one on the Portland Campus for the Health Sciences. The recipients, nominated by faculty and professional staff, serve as role models to others by demonstrating and maintaining high academic standards, superior leadership qualities, collaborative working relationships, and a record of service to improve the quality of life for others.

BIDDEFORD CAMPUS AWARD RECIPIENT: **Megan Rae Kimmel, *Applied Exercise Science***

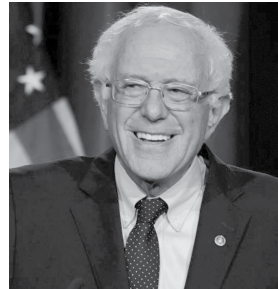

PORTLAND CAMPUS AWARD RECIPIENT: **Nicholas Matthew Chamberlin-Nunes, *Dental Hygiene***

JACQUES DOWNS AWARD

Outstanding Graduating Senior, College of Arts and Sciences

The Jacques Downs Award is bestowed upon the most accomplished senior student in the College of Arts and Sciences on the Biddeford Campus. The recipient, nominated by faculty and professional staff, is selected based upon academic achievement, scholarly work, and service considerations during their time of study at the University.

AWARD RECIPIENT: **Kaylee Mae Emery, *Biological Sciences***

BERNIE SANDERS

United States Senator

Commencement Speaker

Honorary Degree Recipient, Doctor of Laws

Bernie Sanders is serving his third term in the United States Senate after winning re-election in 2018. His previous 16 years in the U.S. House of Representatives make him the longest-serving independent member of Congress in American history.

Born in 1941 in Brooklyn, Sanders attended James Madison High School, Brooklyn College, and the University of Chicago. After graduating in 1964, he moved to Vermont. In 1981, he was elected (by 10 votes) to the first of four terms as mayor of Burlington. Sanders lectured at the John F. Kennedy School of Government at Harvard University in Cambridge, Massachusetts, and at Hamilton College in upstate New York before his 1990 election as Vermont's at-large member in Congress.

The Almanac of American Politics calls Sanders a "practical and successful legislator." Throughout his career, he has focused on the shrinking American middle class and the growing income and wealth gaps in the U.S. As chairman of the Senate Committee on Veterans' Affairs, Sanders passed legislation reforming the VA health care system in 2014. Congressional Quarterly said he was able "to bridge Washington's toxic partisan divide and cut one of the most significant deals in years."

Today, Sanders remains on the veterans committee and was tapped by Senate leadership to chair the Senate Health, Education, Labor, and Pensions Committee. He also serves on the Environment and Public Works Committee, where he has focused on global warming and rebuilding our nation's crumbling infrastructure. Sanders is a member of the Energy and Natural Resources Committee, where he has championed efforts to transform our energy system from fossil fuels to renewable power sources like solar and wind. He also sits on the Senate Budget Committee, which he was chairman of last Congress, and led the committee's fight against corporate greed.

ARTHUR "ART" P. GIRARD

Business Leader and Philanthropist

Honorary Degree Recipient, Doctor of Laws

Arthur "Art" P. Girard, whose vision and generosity have been instrumental to UNE's growth over the past decade, will receive an honorary Doctor of Laws. The Arthur P. Girard Innovation Hall, inaugurated on Nov. 1, 2022, stands as a testament to Girard's commitment to UNE. The building, formerly a Maine National Guard armory where Girard served three years in the 103RCT Medical Corps before serving in the U.S. Army, now houses UNE's Interprofessional Simulation and Innovation Center, health care simulation labs, debriefing rooms, classrooms, and a large-scale function space.

As a local developer, entrepreneur, and philanthropist, Girard and his family have made significant contributions to UNE, including the gift of Ram Island in Saco Bay in 2014. This island serves as a marine research field station for the University's Marine Sciences programs based in the Arthur P. Girard Marine Science Center. With his roots in southern Maine, Girard's legacy continues to impact UNE's Marine Sciences programs and the broader community.

Girard has received a proclamation from the city of Portland for his contributions to city development, the Maine Sports Hall of Fame National Powerboat Championship Outstanding Achievement Award, and, most recently, the Maine Osteopathic Association Sandra Featherman, Ph.D., Award for outstanding contributions to the state's osteopathic community.

ORDER OF CEREMONIES

MUSICAL SELECTIONS

Portland Brass

PROCESSIONAL

Claddagh Mhor Pipe Band

Portland Brass

MACE BEARER
