

The logo features the word "Brain" in a large, bold, black sans-serif font. The letter "B" is stylized, containing two detailed illustrations of a human brain. Below "Brain" is the word "Bee" in a large, black, cursive script font. To the right of "Bee" is "@UNE" in a black, bold, sans-serif font. The entire logo is set against a light yellow background with a faint, repeating pattern of hexagons, resembling a honeycomb. The background also features a faint outline of the state of Maine.

Brain Bee @ UNE

Southern Maine Brain Bee hosted at UNE.
A quiz-bowl-style competition between southern Maine high school students.

Winner will go on to the national competition.
Simultaneous with other competitions across the state.
