

CASINO Tax free meeting /
Report due Nov 6

- Significantly Commit on Religion

4 + 7th

2nd meeting # 6

3rd meeting 1 + 5

4th # 2 + 3 Governor

the State Police - first gathering w/ Conn.

Context differences in location

Categorize Casinos /

Research / Crime rates

Asst A.G. - regulatory + licensing agencies

Comments from Dept themselves

burden on state reg. lic. + regulates = # 6

- "Compare with other states that have Casinos"

With one of AB's for prob. gambling

Peer Group internal research / who did research?

What's out there not how they would do it.

Other states where were they? where are they now?

State police increase in reg + enforcement services

Oceola Nation Casino models

Regulatory structure that works

50 mile radius impact

With
p.d
Ed
Strong

- location makes diff

locals increase drunk driving

State police regulator's quality

Local police - disturbances fights

In-house security

- Financial + credit issues

Tourism impact - image

Housing

education

Police extension?

→ reports back by 3rd meeting

6 next meeting -

Scenarios / rural + populated

presentations - chief Strong

MMA

Banking + Credit Industry

Chamber presentation business activity

People from Comm on gov level Legislators

educational head, Social head, diversity of language

affordable housing - only 20% of need being met

→ impact in other areas / rural vs urban

→ Leban Marsh / Bureau of Alcohol Beverage &
Director of State Lottery operations

profits - Gov fund

except - outdoor Heritage fund

Single biggest gov producer -

Annualized value = advertised

on-line = machine produced closed network Sys

"Scientific games" contracts

→ Who play - 80% of adult Maineans

Keep pace w/ player interest

effect of Casinos:

intro - did seem to be impact

Some states Not Sustained in all Gov
like 20%

Conn. joined powerball - lottery behavioral

Video lottery included in some states

" " limited effect on state lottery revenues

All cases incremental revenues more than offset

the lottery losses = increase

Conjectured to apply as a conclusion for most

circumstances diff in each case

State of Conn.

surveys Casinos have not had direct adverse
effect on lottery.

Merwin - how much money does lottery give
to Study Gambling in me.?

Ans / None

"responsibility in moderation message"

"please play responsibly"

Not immersed as a sig...

Majority of plays are adult machines 80%
out of state sales in Maine?

(More women than men)

Scratch ticket / Theme levels?

amt taken by State 25¢ - 26¢ on a dollar.

50% - 65% returned to Gen public

MMA - Kate DuFour

Neutral at his 0.05

pop over 20,000

8 count

Rev sharing / 102.4M State

if state go 100M only getting

at 5% of 100M

Goldman

not make impact on alt of Tom's decision

3:30 pm

Keith Whyte

N Assoc of
Prof Veterinarians

From policy stand point

neutral on gaming

neither for nor against

already substantial amt of gaming in Me

current gaming problems

Df expansion draws attention to is a good thing.

32 chapters present in VT.

No gap in Me

Gaming = mental health disorder

Independent of localization of his activity

Oregon most well funded program in US

- Create Tru program for existing courses in Me.
can be regionalized osteo center for excellence
such as VT.

Me Harness Racing

Harness Racing would decline

Natl trend

show increase in Delaware

1/2 of Me may best in state / sponsor on
Sackman's Downs

OCT 25th 10:00 am

P.H

Army? ?

Committee in Me

PH - 1-5 pm

last mtg Nov 18

- one group w/a 'Sanctioned monopoly'

10:00 AM - Noon 10/25/02

Grainy portion representing State Police

impact of traffic

More impact on Sheriff's Assoc & Municipalities

Comm. Chiefs feel increase in work not

off-set

increase in OVI

impact based on size of operation

- traffic impact depends on where it will
be exactly located

"If you build casinos there will be more
crime"

biggest prob - motor vehicle related

in LaSalle - UCR Lakeland Dept

1995 - 123

disorderly conduct

- prostitution - a line & well in Maine right now

Need - de \$85,000 rationale per office

Laura Smith AG

cannot predict who knowing role
met w / DA's

List of laws being to be addressed or
created

* POS w/ AG's office
Special investigations & support staff
SAs

<u>inflated cost.</u> 04	93 + 18,500 lawyers
add unit for admin cost	76 + 80,000 investigators
	68 + 81 research AT
	48 + 53 clerks

Con had a regulatory structure

Me does not have one AG's office

has 3 or 4 attorneys to deal w/ business
and federal regulatory litigation in state

Con - NAM going down
patron disputes

don't know what type of on-site
enforcement

liquor control laws involved as well.

* trial cost states may not show up in UCR
alleges older women ~~are~~ embarrassed from buying
employees

Most anecdotal not factual

Do we have any Stats on Court cases?
How much that has increased in states
that have Casinos?

impact on Judicial system / Corrections

15 - 30 State police officers needed
Conv - 3,000 budget cuts again
- increase in clerical 6-12 people /
need a tight regulatory structure

This increase
use of alcohol in facility
don't have org crime problem

Criminal law enforcement w/ Casinos?
price tag on cost?

estimated 2 Mil for gambling
6 mil for other costs

State - costs = \$85,000 per officer
50,000 clerk + post
60,000 Supt. Insprtn
3-5 M costs

Main Transport

Affordable Housing = non-existent?
any effort to create affordable housing
in ~~the~~ county?

There is a need for affordable housing
in York County

Town ordinance - creates this problem w/ limited
acres.

more lots only single family homes built.

Me DOT

Conjunction

Can turnpike Authority build a spur?

assumes they can

Developer hires traffic engineer

Will it displace proposed projects?

Developer is responsible

Could turn more than 1/2 of last time.
