Dear Donna,

I am sending you a copy of A Hip Pocket Guide of U.S. Constitution, what it says, what it means, Oxford University Press - with Index, "Indians", p.84.

I will be interested in what you think.

Another book by Oxford University Press is Our Documents, 100 Milestone Documents from the National Archives - which includes

1830 - President Jackson's Message to Congress  
"On Indian Removal".

I also send the excellent talk you gave on April 5, starting:

"When Columbus and a handful of Spanish sailors landed in the Caribbees, this was the beginning of 'far and away the most massive act of genocide in the history of the world.'" etc.

I send <sup>copies of</sup> your talk to teacher friends of mine.

Thank you for being my teacher. I am learning.

Have a good holiday! So glad home feels like home.

Love,

Rosie
