Medical Education Research: Not a Soft Science

Rebecca Lufler, Ph.D.

Lecturer

Department of Integrative Physiology and
Pathobiology

Division of Medical Education

Tufts University School of Medicine

Wednesday, December 10th 2014

12:00-1:00 p.m.

Decary Sutton Lounge
UNE, Biddeford Campus

Lunch will be provided

Hosted by: Barbara Winterson, Ph.D.

Sponsored by: UNECOM Biomedical Sciences Department

Dr. Lufler earned her Bachelors of Science in 2005 from James Madison University and went on to Boston University to earn her Ph.D. with Vesalius Certification as part of the Teacher Training Program. Dr. Lufler engaged in several medical teaching opportunities throughout her bachelors and doctoral training including acting as a teaching assistant, tutor coordinator and tutor for Medical Human Anatomy as well as tutoring Dental Anatomical Sciences I

and II. Currently, Dr. Lufler is a lecturer in integrative physiology and pathobiology at Tufts University School of Medicine in Boston, MA and teaches anatomy to dental, medical and physician assistant students. In May of 2014 Dr. Lufler was selected by Dr. Huw Thomas, Dean of Tufts Dental School, to receive the Dean's Award for Excellence in Basic Science Teaching.
