

3rd meetg

Mark Lapping

rural plain + rural dev

school in outline

experience w/ land claims

Canada, Alaska, Greenland } Cap
Finland + Scandinavia } issues on
Swiss issues

Fragile relationships w/ Indigenous people

issues = land + cultural issues

- Kinder holding people

- Shamans

access to land + land conservation
activities

Daanet culture - agriculture

roads vs farmers

now - cultural issues

Angry + educate, Lahti case
etc.

Fed gov have attempted by
delegating sovereignty

Created Inst + parliament for
Swiss people in state

T.V state / radio state / college
revived about age of Inst.

Greenland - home rule within Denmark

Domestically all the services + issues
handled by Inuit + Eskimo gov

Greenland - Home rule
Crown created new province
for state w/ 2 states
had a natl gov + trying to
relaying experience of people who
were here first.
Non alienation rule - may
landers can buy land

- Alcohol no more used
- alcohol problem of long study
duration
- low part of personality
- countries take pride in civil
rights + humanitarian traditions
shined into it
people persist
"The people"

Swedish
parliament - 31 members rep 10
big parties concern + issue
Send recon to the Swedish meet
in Stockholm - minister - for Swiss
of affairs
Saganta ministerial
Strong Committee
big news to next gov

Contractly large budget

publishes text books

produce programs on TV - 5y5

education health + human services

Cultural Affairs / land issues

John Stouven:

Treaties based on sharing of resources
"still not equal"

Gov to Gov treaties

electricity 1967

our people not aggressive

"Compensate for diminished
resources =

My^{ind} Trust fund - given to my

Community all Ind monies

given away in 1930's

not one dime paid back

our wealth given away by State
of me

racial issues / equality / education

Talking points:

- money should not go to Inst.
but to the student
need a new Bill to come back
w/ for next session.
- f

Bill later

New guidelines
troll students
provide support / advice advising
native coordinators monitor these students
throughout the process

— Premise

only help way through first
year cycle & clearing fees only
for Native Students how new
Process impacts total cost.

technical colleges haven't tried
it at all.

— other funds available
now excess room & board books & supplies

pull
from

— 2 year process of developing the

Wider program &

w/ native coordinators & Tribal
leaders

Financial Aid - room & board
scholarships

— reintroduce a bill should
be involving Native Community
& coordinators & target money
to go to student not
institution.

we can't give accurate figures
only help way through process

Students would choose just try would
attend

MSK - Sue about names

Bring in First Nations - to instruct

Samuel by Summer leadership Inst.

1st would be Tribal historical research

First Nations Day Inst

Rebecca Abramson exec Dir

(Michigan Matiset Inst - Native Hist

↳ Bob Lowett is Director - bridging years →

preparing for college)

- Tribal History project

bring here finance?

- Documentation + interpretation into classrooms
+ communities

Youth interview parents + grand parents

connects w/ older people in tribe

↳ Town historians + put in News paper

- Education people here

get together again show them bird skulls

to write tribal histories

- Secretary to take notes

- Wabunaki Community partnership

- Set date for sub-community w/ Sue,
Radial, etc

- Museum will contact Univ of Oklahoma
w/ historical research

- First Nations

Fast begins Salmon Issue

Jun 29th Machine Co. - on

Ellsworth Co. - on
Feb 1st Rock

Lee Perry - State
Chair of Atlantic Salmon Board

Fast / Forum

Lee Perry / Atlantic Salmon Comm.

only aboriginal Salmon stocks
in proposal

fun & fun Minn. River

ESA to protect species

1. Disease is greater ISA

2. Threat of aquaculture fish
as well

ISA not established in North Atlantic
escapes

Fred (purchaser) Comm. of Atlantic SL

Book?

May - July return to Minn.

mid Oct - Nov Spawning

800 eggs per lb. 9 lb average

can survive to spawn 4 or 5 times

hatch in Mar or April

— leave July of 1946 to Greenland
Stay 2 yrs since go further
May spend 2 yrs in Sea

1960's 10-15% 3yr rotating fish
recent lobster 10%

No one Saline habitat

Summer - cool temp alt of oxygen

Status of Stocks

Commercial fishing off Greenland reduced

24,000 MT to 12,000 MT

European Salmon

declined $\frac{1}{3}$

Winter fallen 40%

Wad from

declined 45% 1972-90

New funding - maintaining

No clear reason for low pop

14 rivers in Maryland

186,000 Mid Biologically accepted (but

75-1000 we are now expanding

↳ multi-Sea winter Saline

used to have Sal in 34 rivers

Many small rivers do not have

County facilities

#'s are estimates only

70% return to protected areas

22 June 1987

History of Management of Salmon
Lee Perry

- 1945 Salmon studies begin
Can Aug 13th 1947
FISH Stocking program

1980's most successful
declined recently

- Canada - (lost some fish)

Nov 1991 - US fish & wildlife

5 Rivers Act 2 designate

substantial scientific info. Study

may be warranted

Coldbrook - trib of Penobscot River

Penobscot River may be added

critical habitat to be designated

Species - genetic make-up

adaptate

1990 - river spring stocks

looked at

look of survey

Sahara Plan 1997

Evan Richter

Focus of plan is on habitat

FIRST two years

13 major requirements

— Peer Review of Stocking Lottery Program

— Review Stocking of all Seven Rivers

— modify Dublin's Lottery to prevent escape

(Program to mark farmed fish & Sterilizing Sea farm fish)

Recommendations by Spector
- Stewardship

Security Dept do patrols

Caridge Rd

Narrow bridge

Public Rd

patrol
near now

issued 14 Cigarettes

open to our suggestions

double patrols has security presence

Fire Chief

equipment been bought

familiarity w/ property

of fire fighters + chief

request maps additional things

- org outdoor rec Assoc

little patrols (volunteers)

Spring Clean-up

Fall (late) Clean up

Report but any problems

- Conservation Education

Assoc provide Ed for children +

Adults

- Summer recreation program run by

Signaling could incorporate children

from surrounding communities

- Conservation projects

seasonal control

Put together teams

- Stocking
restored streams + ponds
work w/ natural resources
work projects - trails
bridges roads

- Use Interpretation
all trail heads signs
"you are now entering
pendscot state land"
place that it is you
would give now" etc.

Make list of concerns

Do something in handouts

issued w tour office

Chamber of Commerce info Center

- Service Corridor Committee

for Rt 27 → (by road is not)

Some work w picnic area

Cultural Tourism focus

interpretive sign w

picnic area two ways

describe history + culture of

the area

- Trail maps + signs

encourage groups to invite

pendscot speakers

- Ski passes + routes

down hill + Cross Country
