

DEPARTMENT OF ENVIRONMENTAL STUDIES  
SUSTAINABILITY LECTURE SERIES 2016

# SOCIAL ENTREPRENEURSHIP & IMPACT INVESTING

**April 4, 2016**

**Time: 4:30 PM**

Location: Decary Cafe #2  
University of New England

**Come learn about tools for protecting the environment and human rights across the globe.**

*Attendees will learn:*

- What social enterprises are and how they work;
- What makes a good social enterprise;
- How to become a social entrepreneur;
- How this movement is reforming the destructive forces of capitalism;
- What's next and how to get involved.

*Steve has a background in Environmental Studies, History, nonprofits and Private Equity. He holds a Bachelor of Science in Environmental Studies from the University of New England and an MBA in Social Entrepreneurship from Washington University in St. Louis.*
