

# Peace on Earth

Highlights - 2007

Rosie and Peter

1. Wayne Newell, Passamaquoddy, was appointed to the University of Maine System Board of Trustees -- first Native American appointment.
2. Denise Altwater, Passamaquoddy, was appointed to the Maine State Prison Board -- first woman and first Native American appointment.
3. April storm took down 1,500 trees on the hill behind Farleigh and Aberdeen.
4. Seven former Portland Sea Dogs are Red Sox players in the World Series: Becket, Youkilis, Papelbon, Ellsbury, Pedroia, Lester, Delcarman.
5. Peter discovers that low blood pressure IS possible after surviving a September heart failure in Nova Scotia. Peter has new life!
6. From October 2 through November 17 downed trees are removed by Mark Hawkes skilled crew and also by a crane, a delimeter, a skidder, a fellerbuncher, and two 40 foot logging trucks.
7. Write your Congress people regularly.
8. Write the Cleveland Indian baseball team asking them to eliminate the "Chief Wahoo" demeaning logo.
9. We thank our family and friends in U.S.A. and Nova Scotia VERY MUCH for their tender care and love throughout the whole year -- many wonderful surprises, which I cannot list because if I do, I might leave out someone important.

Donna - I always remember what you said at one of your presentations - Univ. of Maine in Farmington, perhaps —  
"Protest and cry out for Justice!" ---  
You are certainly a major highlight for me and I thank you —

Warmest Greetings and Love,

Rosie and Peter
